

Now there's one more reason to choose Canada's leading home inspection service.

AmeriSpec is proud to announce an exclusive nation-wide partnership with AMJ Campbell. Providing our customers a very special offer.

Moving just got a little more affordable for AmeriSpec customers. For both local and long-distance moves, you can take advantage of price matching and FREE supplies from AMJ Campbell, Canada's largest coast-to-coast mover. AmeriSpec of Canada is the only home inspection company to be provided an exclusive partnership with AMJ Campbell.

## How the program benefits homeowners.

Customers who use AMJ Campbell can receive a FREE packing kit for a local move and guaranteed price matching with any major van lines when making a long-distance move. Our customers can save on their move, and get the excellent service they would expect of a quality moving company.

## Why AMJ Campbell?

We wanted our customers to feel that their belongings were in good hands, and to feel comfortable with the company that is helping them make a big life change.

AMJ Campbell has 40 locations in Canada, so they are widely available to our customers across the country. They provide padded quilts to protect all the furniture, protective carpets for floors and stairs, new plastic covers for mattresses and wardrobe boxes for clothing.

They come equipped with clean, well-maintained hydraulic suspension trucks, and they provide packing services, package deals for boxes and complete insurance.
